» Allusion to the Chapel of St. Anthony of the Church of São Roque (Lisbon). Lisboa Story Centre: The church (chapter XI, main floor).

Brief note of the month

Saint Anthony is frequently considered to be the patron saint of Lisbon. He was born in Lisbon during the 12th century and became a Christian icon due to his miracles and preaching skills.

Being known for the sermon he preached to the fish Saint Anthony is also recognized as the patron saint of marriages, protector of travelers (among others) and listener to prayers who aimed to find something lost. He is usually represented wearing a Franciscan garment and holding baby Jesus.

During the month of June the Popular Saint's Festival is celebrated all over the country, with festivities organized in their honor. In Lisbon, on the 12th June, there is a celebration in honor of Saint Anthony. In the traditional and most iconic neighborhoods of the city people gather around dancing, drinking and eating the famous grilled sardines.

The 13th June is actually Saint Anthony's day and holiday in Lisbon. Besides Portugal, Saint Anthony was also present in other countries where he is quite an important and respected saint.
